I am introducing Myself to you Again

We meet at The Au Gres City Public Library

and I personally talked to you about the subject of the Day

==========

The reason for this contact is to inform you of A path to take the state back and give it to the people

To correct errors and admissions that took place when this state was formed

To clean up the corruption in this State and how to hold them accountable

I have a long History of being a receiver and am coming Forward as A Witness to Same such activity along with many other Michigan Residents

Most of what you see that is simply typed is created by my self

A post like this one below is created By a Person that has a Business relationship With Donald J Trump JR.

and He is very well versed with the History of This Country from the day that the first settlers came here right up to today

Michigan Corruption puts United States Navy at risk?, United States of America a country in self-destruct mode!

by

Robert Gregory Boensch

In all of my Documents I could not make a full Disclose.

For the Fact there are Many Peoples Lives at Stake and could be Harmed.

So please send the Proper Law enforcement to investigate what I have Stated.

To Protect Those Witnesses that are Still alive.

Remonstrance

Jason

Please Help Me and all of the People of this State Michigan and all the other States
In this country to regain control of our Country
Feel free to contact Me and I can travel to the capital if needed.
By perfecting this Document Remonstrance so that it may be entered into your House and Senate and be acted on it in a swift manner
Remember all of the control of this Country is in each Houses chambers
And We the people are in control of your actions
And with this I am asking You to Please Help Us the People of Michigan

Or if you refuse to
You can take this Message From Me Robert Gregory Boensch
As a Command to Do your Job and as Speaker of the House
And lead the rest of your assembly to do the Same

Please act with diligence with presenting this document and processing it
through the proper channels so that it mat be prosecuted and acted on by all of the Members of both chambers and acted on by the laws of the State of Michigan and any and all laws of this country

A Remonstrance Being file in Michigan

From Robert Gregory Boensch
